Liquid or Tablet Form Sold Everywhere

No sufferer from catarrh of the stomach can read Mrs. Van Buren's letter without a feeling of thankfulness.

"I have spent a great deal of money with doctors for catarrh of the stomach and at times have been compelled to give up my household duties. For years I did not know what a well day was and cannot help but feel that I would not be alive to-day had I not been induced to try Peruna. Six bottles of Peruna made me a well woman."

## WORLD RELIEF WEEK

(Its Purpose Is to Emphasize Need of Food Saving.)

Montpelier, Nov. 22.—December 1 to 7 has been designated by the United States Food Administration as "World Relief Week," the purpose of which is to bring before the people of America in a forceful manner the need for saving food and sharing it with the Allied and liberated nations. The "World Relief Week" message will be carried to the people of the state during the week of December 1 to 7 at meetings to be addressed by selected speakers. A message from Mr. Hoover will be read in all the churches Sunday, Dec. 1, and during the week a special Hoover message will be read to all fraternal and other organizations.

Wednesday, December 4 has been designated as the day when all women's clubs will have special exercises based on a program to be furnished from Washington through Mr. Brooks. On Friday, Dec. 6, all public schools will have special exercises based on a program to be sent from the Committee on Public Information in Washington.

During the week it will be explained that food is the only effective weapon with which to combat famine which still threatens hungry millions. The week is also intended to impress upon everyone that stopping hostilities produces no extra food and that human lives will continue to be sacrificed unless food is saved in this country and properly distributed among those who have pitifully little or none.

## TO AILING WOMEN

A Little Sound Advice Will Help Many Suffered in Bennington

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off in the secretions when the kidneys are well kidneys are disordered. If the kidneys and bladder become inflamed and swollen worse troubles may quickly follow. This is often the cause of back-ache, pains, lameness, backache, etc. Erythema is also a frequent cause of headaches, dizzy spells, languor, nervousness, and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has proven effective in thousands of such cases. Let a Bennington woman tell of her experience.

Mrs. George Coolidge, 112 Putnam street says: "For several years I have had attacks of backache and other kidney disorders. My back has become very painful at times and when I have stooped, sharp pains have darted through the small of my back. Sometimes I have had dizzy spells and fiery flashes have come before my eyes. I have felt tired and run down, especially mornings. I have used Doan's Kidney Pills at these times and they have greatly relieved me."

Price 60c at all druggists. Don't mistake for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coolidge had. Foster-McBarn Co., Mfrs., Buffalo, N. Y.

## EVER OBSERVE THESE?

Circumstances alter cases, sometimes for the worse.

Somewhat or other we'd rather a man would flatter rather than tell the brutal truth just to be brutal.

A girl may not be very smart but whenever she gets a note from a man containing the injunction, "bitch this," she knows that's the letter to hang onto.

Many a man tries to keep pace with a neighbor when it comes to spending money. The difficulty is that he won't keep pace with him when it comes to earning money to spend.

It's a queer world. Some men will buy any number of drinks for men who can afford to buy their own and are not thirsty, and yet will refuse a dime to the poor man who really needs refreshment.
